Case 15-01641-dd Doc 282 Filed 11/12/19 Entered 11/12/19 12:58:03 Desc Main

April 11, 2019 The trustee stopped payment on the funds to Maple Bank and paid the same to the Court. Thereafter the Trustee received an email from insolvency counsel indicating that Maple Bank was insolvent. They wanted the funds wired to a bank collecting funds for the insolvent bank. I advised that the funds had been paid to the court registry and the rightful owner could claim them through the Clerk of the Bankruptcy Court.

As soon as the Trustee receives a zero bank balance, the TDR will be submitted.

Nov. 2018 Received a phone call from someone in Germany wanting the funds for Maple Bank wired. I explained that funds had to be mailed to the address on the proof of claim. If there was a change, the claim should be amended to provide a current address. No amendment was made and the funds were mailed to the address on file with the Court. Thereafter, my bank received correspondence requesting the check be converted and funds wired to Germany. I did not authorize the wire.

August 2018: The final fee applications for accountants and attorneys have been approved and paid. The final report will pay all administrative costs, priority creditors, wage claims and 20% to unsecured creditors.

March 2018 The Trustee has reached a settlement in the litigation with the former directors. The insurance company will pay the estate \$175,000 in full and final settlement of all claims. Although the trustee thought the damages were much higher, the litigation costs were expensive and after two years of litigation, the insurance company has denied liability of the claims after the Summary Judgment order. No denial of coverage was communicated prior to receiving the summary judgment order. The reality was that a judgment for a higher amount could be received but would be uncollectible if the insurance would not pay. The Trustee thought it wise to accept a compromise under the circumstances.

March 2017 The Defendants have agreed to a jury trial in the bankruptcy court and Motions for Summary Judgment and Motions in Limine are pending. The matters are scheduled for hearing on 5/16/17. The Trustee is anticipating a Fall trial.

December 2016, The sole remaining asset is the D & O litigation. The carrier refuses to negotiate in good faith and appear to be dragging out the litigation which depletes the spend down policy. The Trustee has demanded settlement within the policy limits and has only received a nominal offer.

April 2016 Trustee filed 8 preference adversaries.

Sept 2015 The D&O carrier was put on notice and litigation has been commenced against the officers and directors.

July 2015 Held the public auction of assets and was very pleased with prices.

April 2015

The Trustee has shown the assets to multiple purchasers and to 2 auction companies. The Trustee is working to determine the best way to liquidate the assets and maximize the value. The trustee has retained counsel and accounting services to investigate the transactions between insiders of the company. This is a new case with a lot of questions to answer.

- RE PROP # 2 -- Trustee closed account and recovered funds.
- RE PROP # 3 -- Trustee is working with airport regarding lease. The Court approved a settlement with the County regarding their Administrative claim and this deposit was applied to the amount due.
- RE PROP # 5 -- Trustee is working with insurance company to determine if a refund available after final audit. Final Audit has been completed and Trustee is waiting to receive results to determine if a Refund is due. The estate did refund a refund. However, by contract it was payable to the Premium Assignment Corp which had financed the insurance premiums. This refunds reduced the claim of Premium Finance from in excess of Two Hundred Thousand Dollars to the current claimed amount of less than \$6,000.
- RE PROP # 6 -- Trustee is working with company to cancel the policy the estate does not need and reduce coverage on additional policies. If a refund is available, the trustee will obtain it after final cancellation. Trustee has made a claim under the D&O Policies and thus the coverage on those policies will be cancelled since it is a claims made policy and personal property coverage has been cancelled since auction was complete. Trustee is working with company to determine if a refund is due. No refund was due on this policy.
- RE PROP # 7 -- This policy had no value.
- RE PROP # 8 -- Trustee and Counsel are investigating the value and collectibility of the receivables. Initial demand letters were sent on 7/23/15 to all three accounts
- RE PROP # 9 -- Trustee has signed the release to obtain these funds.
- RE PROP # 10 -- Trustee is investigating the value of this asset. The value will be determined by whether the FAA will allow the transfer of the certificate. The design is for a single aircraft with little air use. The design has no resale value.
- RE PROP # 11 -- These have no value as business in not a going concern. No one would purchase at the auction and they have no value.
- RE PROP # 12 -- Unknown if this can be transferred. The value will be determined by whether the FAA will allow the transfer of the certificate. The FAA would not allow transfer so this had no value.
- RE PROP # 13 -- Vehicles included a 1995 Toyota Corolla (sold at auction \$1,400), a Fuel Truck (sold at auction \$6,000.00) and a 1985 Step Van (sold at auction for \$750.00)
- RE PROP # 17 -- SC Dept of Revenue "Contingencies Account"
- RE PROP # 20 -- This is a preference claim filed on 9/30/15. This case was consolidated with Asset #24.
- RE PROP # 21 -- This is a preference claim filed on 9/30/15. Consent Judgment was entered
- RE PROP # 22 -- This is a preference claim filed on 9/30/15. This case was consolidated with Asset #24
- RE PROP # 23 -- This is a suit for Officers and Directors Liability and conversion of estate assets
- RE PROP # 24 -- This is a claim for Officers and Directors Liability
- RE PROP # 25 -- This is a claim for Officers and Directors Liability. This case has been consolidated with Asset #24
- RE PROP # 29 -- This ended up being two separate claims. The first claim of 9,999.95 was paid in full without need of litigation. The second claim was settled.
- RE PROP # 35 -- This is a sale of any undisclosed remnant assets. The Trustee knows of no such assets but has sold the same should any come into existence in the future.
